Glossary of Terms for the Indian Education for All Social Studies Model Lesson Plans

acculturation The process by which a culture is transformed, due to the massive adoption of cultural traits from another society. [Culture Change: Glossary of Terms
www.anthro.palomar.edu/change/glossary.htm]

accuracy of information A factor in determining information quality. If information is accurate, it is factually true.

allotment “Refers to the policy of the federal government of dividing Indian reservations into parcels assigned to individual families, usually under a highly restricted form of fee simple ownership (the usual form of private land ownership in the United States). The basic legislation was the General Allotment (Dawes) Act of 1887.” [Native America in the Twentieth Century: An Encyclopedia. p. 27]

Allotment Period See allotment.

ancestor A person from whom one is descended; a relative who lived in the past.

ancestral lands Lands utilized by Indian tribes in their migrations and in their hunting/fishing; frequently referred to in their oral histories, and still connected to tribes and their cultures today. These lands may or may not be on reservations.

Assimilation The absorption of an individual or minority group of people into another society or group. This is achieved by learning and adopting the cultural traditions of the society to which assimilation occurs. It is also often hastened by intermarriage and by de-emphasizing cultural and or biological

differences. [Culture Change: Glossary of Terms anthro.palomar.edu/change/glossary.htm]

Assimilation Period At the end of the treaty-making period in 1871, the U.S. Congress began a policy aimed at narrowing tribal and individual Indigenous rights and encouraging Indigenous Americans to move from reservations. Assimilation, allotment, and U.S. citizenship for Indigenous Americans became official policy goals and continued until the late 1920s. [Deloria 1985, Cooper 1990, Pevar 1992, as stated in *Historical Chronology* by the Office of Environmental Management, U.S. Department of Energy, available online]

Assiniboiné Indian Tribe “*Nakoda* or *Nakota*, *As’see nee poi-tuc*—those who cook with stones. A Plains people whose original territory was around the Great Lakes. The Eastern Assiniboiné are in Montana ... most ... live on the Fort Belknap and Fort Peck reservations. Their language is part of the Dakota dialect complex, which is one of five Siouan languages spoken in historical times on the plains. ...” [Native America in the Twentieth Century: An Encyclopedia. p. 63-64]

band Commonly, bands were hunter-gatherers in the past. Bands usually have no permanent leaders; decisions are based on building consensus. Leadership tends to be situational, arising for short periods of time.

BIA The Bureau of Indian Affairs, a U.S. federal government agency.

bias A highly personal and unreasoned distortion of judgment; prejudice. [*Webster's Ninth Collegiate Dictionary*]

Blackfeet Indian Tribe One of four closely related tribes of Plains Indians known generally by the name of Blackfeet. All of the tribes spoke the same Algonquian language. ...The Blackfeet in Montana, also known as the Southern Peigan or Pigunni, are the only group of Blackfeet Indians to have a reservation in the United States. [*Native America in the Twentieth Century: An Encyclopedia*. p. 75]

Blackfeet Reservation Land base that the Blackfeet Indians reserved for themselves when they relinquished other land areas to the United States through treaties. [Essential Understanding Regarding Montana Indians, EU 1, 2005]

blood quantum Blood Quantum is the total percentage of your blood that is tribal native due to bloodline. All of the tribal nations use Blood Quantum as a requirement for membership. Usually this is detailed on a Certificate of Degree of Indian Blood (CDIB) Card issued by the U.S. government. Additionally, many of the tribal nations have other requirements for membership. [www.americanindiansource.com]

Boarding School Era An era when Indian children were taken from their families by the U.S. government, to be educated in boarding facilities.

Chippewa Indian Tribe To end any confusion, the Ojibwe and Chippewa are not only the same tribe, but the same word pronounced a little differently due to accent. If an "O" is placed in front of Chippewa (O'chippewa), the relationship becomes apparent. Ojibwe is used in Canada, although Ojibwe west of Lake Winnipeg are sometime referred to as the Saulteaux. In the United States, Chippewa was used in all treaties and is

the official name. The Ojibwe call themselves Anishinabe (Anishinaubag, Neshnabek) meaning "original men" (sometimes shortened to Shinob and used as a nickname among themselves). Ottawa and Potawatomi also call themselves Anishinabe, and at some time in the past, the three tribes were a single tribe. Ojibwe, or Chippewa, comes from the Algonquin word "otchipwa" (to pucker) and refers to the distinctive puckered seam of Ojibwe moccasins. Various spellings: Achipoes, Chepeway, Chippeway, Ochipoy, Odjibwa, Ojibweg, Ojibwey, Ojibwa, and Otchipwe. [littleshelltribe.us]

civil rights The rights belonging to an individual by virtue of citizenship, especially the fundamental freedoms and privileges guaranteed by the 13th and 14th Amendments to the U.S. Constitution and by subsequent acts of Congress, including civil liberties, due process, equal protection of the laws, and freedom from discrimination. [*American Heritage Dictionary*]

Indigenous Nations possess certain sovereign powers to exercise government, enter into agreements, and develop and protect natural resources.” [Deloria 1985, Cooper 1990, Pevar 1992, as stated in *Historical Chronology* by the Office of Environmental Management, U.S. Department of Energy, available online]

sovereign powers Before colonization, Indian tribes possessed complete sovereignty. Tribes are now classified as domestic, dependent nations. Tribes have the power to define their own membership, structure, and operate their own tribal governments, regulate domestic relations, settle disputes, manage their property and resources, raise tax revenues, regulate businesses, and conduct relations with other governments. It also means that the U.S. government is obligated to protect tribal lands and resources, protect the tribes' right to self-government, and provide social, medical, educational and economic development services necessary for the survival and advancement of tribes. [Essential Understandings Regarding Montana Indians, EU 7, 2005]

sovereignty The supreme power from which all political powers are derived. It is “inherent”—it cannot be given to one group by another. Sovereignty ensures self-government, cultural preservation, and a peoples’ control of their future. Sovereignty affirms the political identity of Indian Nations—they are not simply a racial or ethnic minority. [Essential Understanding Regarding Montana Indians, EU 7, 2005]

stereotype An oversimplified conception of a group of people in which all individuals in the group are labeled and often treated based on certain perceived group characteristics. [www.ahla.com/diversity_glossary]

suffrage The right to vote. [Webster’s Ninth New Collegiate Dictionary]

technology The tools, machines and methods used within a culture. [Webster’s Ninth New Collegiate Dictionary]

termination Termination was designed to produce rapid, forced assimilation. Under termination, the trust relationship between Indigenous Americans and the U.S. government would gradually decrease and eventually dissolve. Economic development on reservations was ignored, and Indigenous people were encouraged to seek a life off the reservation. [Deloria 1985, Cooper 1990, Pevar 1992, as stated in *Historical Chronology* by the Office of Environmental Management, U.S. Department of Energy, available online]

third-person point of view The story or narrative is told by a *narrator* outside the story or narrative; this narrator makes *observations*. Referring to one that is neither the speaker nor writer of the utterance ... or the one to whom that utterance is addressed. [Webster’s Ninth New Collegiate Dictionary]

[Essential Understanding Regarding Montana Indians, EU 2, 2005]

traditional Indians Those American Indians who show characteristics of American Indian ways of being and belief. A continuum exists between traditional and nontraditional members of tribes. All have a variety of backgrounds, differences of skin color, dress, behavior, along with deeper and subtler differences of values and ways of being and learning. [Essential Understanding Regarding Montana Indians, EU 2, 2005]

treaty An agreement or arrangement made by negotiation. A contract in writing between two or more political authorities (as states or sovereigns) formally signed by representatives duly authorized and usually ratified by the lawmaking authority of the state. [*Webster's Ninth New Collegiate Dictionary*]

tribal membership One's official identity with a particular tribe depends on that tribe's definition and requirements for membership. [Essential Understanding Regarding Montana Indians, EU 2, 2005]

trust responsibility This unique relationship was first formally addressed by Chief Justice Marshall. He referred to tribes as distinct political communities calling them domestic, dependent nations. The U.S. trust relationship is one of government to government with the U.S. government assuming legal and moral responsibilities in dealings with tribal nations. {Utter, 1993, *American Indians: Answers to Today's Questions*}

Tipi Dakota/Lakota/Nakota word for home. Traditional dwelling consisting of a hide or canvas lashed to a conical frame of poles. {Keoke and Porterfield, 2002, *Encyclopedia of American Indian Contributions to the World*}

urban Indian An American Indian living off the reservation in an urban setting.

vision quest Traditional ceremony consisting of fasting and solitary prayer used for seeking guidance and wisdom in life. This ceremony is still conducted today by many tribal nations each with their own unique rituals and traditions. {Champagne, 2001, *The Native North American Almanac*}

Wounded Knee In 1890, the U.S. 7th Cavalry massacred 300 Lakota men, women and children. This incident stemmed from misunderstandings about the Ghost Dance religious movement. [Champagne, 2001, *The Native North American Almanac*]
